It is with great pleasure that we, as the Co-Convenors of the Annual Scientific Meeting (ASM), invite you to consider sponsoring the 41st ASM of Breast Cancer Trials (BCT). This year’s meeting will be held at Hilton Adelaide, South Australia from 24-26 July 2019.

BCT is the largest independent, oncology clinical trials research group in Australia and New Zealand. For more than 40 years, BCT has conducted clinical trials for the treatment, prevention and cure of breast cancer.

The research program involves multicentre national and international clinical trials and brings together almost 800 researchers in 101 institutions throughout Australia and New Zealand. BCT has contributed to more than 1,100 peer reviewed publications and more than 15,000 women have participated in BCT clinical trials.

The 2019 ASM will host several internationally renowned guest speakers including key BCT researchers. Delegates include leading Australian and New Zealand medical practitioners and clinicians, and clinical trials management personnel.

The ASM committee is currently finalising a full and extensive program, which will include two days of scientific sessions covering timely reviews of breast cancer clinical trials, discussion of new protocols, future clinical trials research and other research developments.

South Australia’s capital, Adelaide, is undergoing a rapid transformation with world-class art and music and a festival calendar to rival that of any other Australian city. Discover its laneway secrets, take in the stunning flora at the Adelaide Botanic Gardens and find delicious treats around every bend.

This is a wonderful opportunity to be involved in this exciting meeting and we look forward to welcoming you to this event.
